Tax returns can generally be audited for up to three years after filing and up to six years if the IRS suspects underreported income. It is wise to keep tax records at least seven years after a return is filed. Requirements for records kept electronically are the same as for paper records.

Generally, follow these recommended periods for various documents:

Individual Records Retention Period
Tax returns (uncomplicated)7 years
Tax returns (all others)Permanent
W-2s
1099s
Cancelled checks supporting
tax deductions
Bank deposit slips
Bank statements
